Please Note:

- These fields are for club events only. Any other use requires the permission of the owners. Only AMA insured members are permitted to fly at these fields except for those flying under the guidelines established by the AMA for non-insured pilots.
- We have been given permission to use these fields by the owners' generosity. Permission can be revoked at any time. Please use the areas with care and respect. Tread lightly! Do not drive on the fields if they are wet enough to be damaged. Return any gates to the position found after passing through them.
